Thrilling more than 8 million people worldwide since the show premiered in 1999, *Dralion* is the fusion of ancient Chinese circus traditions and the avant-garde style of Cirque du Soleil. In fall 2010, *Dralion* will embark on a new journey, performing the same captivating production, but now in arenas throughout North America, giving more people the opportunity to enjoy a Cirque du Soleil show in their own town.

The name *Dralion* (pronounced "Dra-lee-on") is drawn from its two main symbols: the dragon, representing the East, and the lion, representing the West. *Dralion* derives much of its inspiration from Eastern philosophy with its perpetual quest for harmony between humankind and nature. The international cast features 51 world-class acrobats, gymnasts, musicians, singers and comedic characters.
